Sustainability

At the Clinton County Chamber of Commerce it goes beyond dues, it is about duty. For 108 years and counting the Chamber, its members, and community has endured wars, depressions, recessions, and economic booms. All while, Clinton County has continued to stand strong with all the dynamic change and global shifting the Chamber has endured. Over 25% of the Chamber's members have been members for 25 years or longer. Our community, is here to progress, to serve businesses and strive for greatness. As it has for the past 108 years, the Chamber is here to bolster your business, connect commerce and initiate industry. God Bless Clinton County.

The Pillars of Focus for the Chamber of Commerce have been derived from our Mission Statement

Business

- Welcome new businesses with open houses and ribbon cuttings
- After hours - Network and meet other business persons
- Advertise in the Newsletter "In the Know - In the Now" with hundreds of Recipients
